Chrome, Sat. Apr. 2
8:20 P.M.

I wonder if Uncle Henry is home yet? This cold is a souvenir of the trip I didn't make to Elizabeth to-day. Lint by Emma H. for my watch pocket reports all done except a hand at attendance blank that's at school, and the average and the monthly cards. Have rented room, too, this P.M. Will try to text "Laura" next week. M.E.B.
